FAITHMEETSTECHNOLOGY

UMMAH TECH CONFERENCE

Ummah Tech 2024 is a conference designed to create a dynamic ecosystem for Muslim technologists, founders, and innovators to collaborate, network, and explore solutions that align with Islamic principles for the benefit of Humanity. With attendees ranging from tech entrepreneurs to seasoned professionals, Ummah Tech will provide thought-provoking and inspiring talks all aimed at empowering the Ummah and society through technology.

Our Mission is to empower and grow technology
by the ummah, for all

LONG-TERM GOALS

- 01 Organizing in-person events for networking, collaboration, education and inspiration
- 02 An online & offline network of technologists
- 03 Upskilling, Education, Bridging the Digital Divide
- 04 Content creation & production - Blog, Podcast, white-papers
- 05 Research
- 06 Connect our members with opportunities and build bridges with other tech communities for collaboration.

OUR VALUES

- 01 Niyyah - Sincere Intention
- 02 Benefitting the Ummah & serving humanity
- 03 Ethics & integrity
- 04 Collaboration & empowerment
- 05 Creativity & innovation
- 06 Connecting people & service

AN OPPORTUNITY FOR YOUR ORGANISATION

The Ummah Tech conference provides a valuable opportunity for your company to position itself within our network which includes various attendees from the technology sector which includes engineers, designers, business owners, and startup founders.

Through our range of strategic partnership opportunities, you can contribute towards inspiring a new generation of Muslim innovators and promote Muslim technology solutions which solve some of the urgent social and environmental problems of our time both in the Muslim community and humanity at large.
